ROCKIN FOR A CURE is the dream of **Steve Weekes**, who came up with the idea while in the waiting room of an **ALS clinic** with his brother John, and sister, Monica. Shortly after his diagnosis, Steve began work on the project and enlisted the help of long-time friends from Wall of Sound and the Madison Scouts Drum and Bugle Corps. Although we are saddened that Steve passed away after his battle with ALS, we can gather together to honor his heroism and support others who are battling this disease.

All proceeds go to ALS Association Wisconsin Chapter
